

WESTCHESTER COLLEGE OF NURSING AND ALLIED HEALTH
ANNUAL SECURITY REPORT 2016

I. CAMPUS WATCH

A truly safe campus can only be achieved through the cooperation of students, faculty and staff. Should you become a witness to or victim of a crime, immediately report the incident to local law enforcement officials, the administration office, or to the Los Angeles Police Department Pacific Community Police Station. All crimes will be investigated and when appropriate, brought to the attention of the Administration office for disciplinary hearings.

Purpose of the Annual Disclosure Report

The full text of this document can also be found on <http://www.westchestercollege.edu/campus-safety/> or by visiting the Administrative office. This report was prepared with the assistance of local law enforcement agencies. Campus crime, arrests and referral statistics include those that were reported to local law enforcement and campus faculty and staff. This data may also include crimes that have occurred in private residences or businesses adjacent to the campus.

When making your report of an incident you will be asked to provide the following information:

1. Description of the incident
2. Date, time and location of the incident
3. Description of the persons or vehicles involved in the incident

Please note that your identity may not be confidential when reporting an incident. WCNAH does not have procedures for voluntary, confidential reporting of crimes.

Once each semester, WCNAH will contact the Los Angeles Police Department and property management to monitor and record crimes that occur within the designated area surrounding the campus that have been reported to the local Police.

III. ANNUAL SECURITY REPORT

WCNAH will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the ALERT notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

The Administrative Office will determine if there is a significant emergency or dangerous situation and what segment of the campus community will need to receive a notification.

WCNAH will:

- Test emergency response and evacuation procedures on an annual basis
- Document each test, including the date, time, and whether it was announced or unannounced
- Publicize emergency response and evacuation procedures in conjunction with at least one test per calendar year

IV. CAMPUS ALERT SYSTEM

In the event of an emergency or a potentially dangerous threat to the campus or center arises, you will receive timely notification via the Alert system, on campus flyers, and/or email announcements. Please make sure to keep your contact information updated with the Administration office.

IX. CAMPUS SEX CRIMES PREVENTION ACT

The Campus Sex Crimes Prevention Act requires sex offenders already required to register in a State to provide notice, as required under State law, to each institution of higher education in that state at which the person is employed, carries on a vocation, or is a student. The act requires that state procedures ensure this registration information is promptly made available to law enforcement agencies with jurisdiction where the institutions of higher education are located and that it is entered into appropriate state records or data systems. These changes became effective two years after enactment of the law (2002).

This act amends the Higher Education Act of 1965 to require institutions of higher education to issue a statement, in addition to other disclosures required under that Act, advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. This change takes effect two years after enactment (2002).

This act amends the Family Educational Rights and Privacy Act of 1974 to clarify that nothing in that Act may be construed to prohibit an educational institution from disclosing information provided to the

institution concerning registered sex offenders; requires the Secretary of Education to take appropriate steps to notify educational institutions that disclosure of this information is permitted.

Illinois and California require an institution that contracts with a school district to provide educational services to K-12 students to collect fingerprints of any colleagues who will have regular contact with the K-12 students. Human Resources maintain this process.

To check registered sex offenders in a state see the State Sexual Offender Registry List section.

XVII. STUDENT RIGHTS UNDER FERPA

(The Family Educational Rights and Privacy Act)

WCNAH respects the rights and privacy of its students and acknowledges the responsibility to maintain confidentiality of personally identifiable information.

FERPA is a federal law that affords students the following rights with respect to their education records:

1. THE RIGHT TO INSPECT AND REVIEW THE STUDENT’S EDUCATION RECORDS

Students have the right to review their education records within 45 days of the day the institution receives their request. Students should submit to the registrar, dean, or head of the academic department written requests that identify the record(s) they wish to inspect. The institution official will make arrangements for access and notify the student of the time and place where the records

may be inspected. If the official to whom the request is submitted does not maintain the records, that official will advise the student of the correct official to whom the request should be addressed.

2. **THE RIGHT TO SEEK AN AMENDMENT OF INACCURATE OR MISLEADING INFORMATION**
Students may ask the institution to amend a record that they believe is inaccurate or misleading. They should write to the official responsible for the record, clearly identify the part of the record they believe should be changed and specify why it is inaccurate or misleading. If the institution decides not to amend the record as requested by the student, the student will be notified of the decision and advised of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when they are notified of the right to a hearing. Following the hearing, if the institution still decides not to amend the record, the student has a right to place a clarifying statement in the record. The institution is not required to consider requests for amendment to grades or disciplinary decisions.
3. **THE RIGHT TO LIMIT DISCLOSURE OF PERSONALLY IDENTIFIABLE INFORMATION**
Students have the right to consent to disclosure of personally identifiable information contained in their educational records, except to the extent that FERPA authorizes disclosure without consent. An exception that permits disclosure without consent is disclosure to school officials who have legitimate educational interests, and the disclosure of directory information. Directory information is not considered to be harmful or an invasion of privacy if disclosed. See additional information on next page.
4. **THE RIGHT TO FILE A COMPLAINT WITH THE U.S. DEPARTMENT OF EDUCATION IF THE INSTITUTION FAILS TO COMPLY WITH FERPA REQUIREMENTS**

Complaints should be directed to:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

XVIII. DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA) designates certain student information as "Directory Information" and gives the institution the right to disclose such information without having to ask students' permission. The items listed below as "Directory Information" may be released for any purpose at the discretion of the institution. Under the provisions of FERPA, students have the right to withhold the disclosure of any or all of the categories of information listed below. **The following information will be released unless students specifically request that their information be withheld:**

- **Directory Information:** Name, address, telephone number, email address, date and place of birth, dates of attendance, previous institution(s) attended, major field of study (program), enrollment status, degrees and awards, past and present participation in officially recognized activities.
- **Career Services:** Students approaching graduation and working with career services staff on career planning, job interviewing and resume preparation authorize release of the following records for a period of fifteen months after graduation: the resume, identifying data, academic work completed, immigration status (if applicable), and authorize career services to verify information graduates provide regarding their employment. At no time is compensation information released or published.

To Withhold Information

To have directory, hometown program, or career services information withheld, students must submit a written request to the Administration office. Once filed, this request becomes a permanent part of the student's record and no information may be released until the student instructs the institution otherwise.
